About The Temple House

The Temple House is one of four Houses in The House Collective and is located in the heart of Chengdu within the Sino-Ocean Taikoo Li, a bustling open plan shopping area. The 100-room House and its 42 serviced residences form an integral part of the city government's conservation project to preserve the surrounding heritage buildings next to the thousand-year-old Daci Temple. Elegant bamboo trees frame the House's entrance, which is set in a beautifully restored hundred-year-old Chinese courtyard built in the Qing Dynasty. Mi Xun houses the award-winning spa, which includes a pool and fitness centre, as well as the teahouse serving vegan Sichuan cuisine. The Temple House also offers a dynamic collection of outlets including The Temple Café - the all-day dining restaurant, Tivano - an authentic Italian restaurant, and Jing Bar - a lively bar featuring live DJs.
