PRESS RELEASE - FOR IMMEDIATE RELEASE

Mi Xun Spa at The Temple House Awarded Grand Jury Awards by SpaChina Awards 2020

(Chengdu, September 2020) In the recent SpaChina Wellness & Spa Awards Ceremony 2020 hosted by the prestigious SpaChina Magazine, Mi Xun Spa at The Temple House is honoured with “2020 SpaChina Grand Jury Awards” recognized for its exceptional service and unique spa experiences.

The SpaChina Wellness & Spa Awards is considered one of the industry’s highest accolades, both in China and across the Asian region. Nominees are put through a rigorous four-month evaluation by a judging panel of senior spa consultants, experienced spa managers and discerning spa enthusiasts, and account for 80% of the final decision, weighed against the results of an online poll.

Simon McHendry, General Manager of The Temple House, says, “We are honoured to receive this award. The recognition not only sets Mi Xun Spa as the most exciting wellness destination in Chengdu, but also demonstrates the unyielding passion and consistent efforts of the Spa team. Mi Xun Spa will continue to provide exceptional and unforgettable wellness experiences for our guests.”

Tucked within The Temple House, which perfectly marries modern sophistication with Chengdu’s local heritage, the Mi Xun Spa introduces a series of unique spa treatments designed to deliver a holistic pampering experience to soothe and revitalise the mind and body while embracing its historically rich surroundings.

Situated in the heart of Chengdu’s trendy retail hub Taikoo Li in the Jinjiang District, Mi Xun Spa stands on the site of a former mulberry garden of the Daci Temple, and is housed within a heritage building. Restoring much of the building’s original architecture, it has now been revived as a peacefully secluded oasis that seems worlds away from the bustling city. Spanning 900 square metres, Mi Xun Spa features nine treatment rooms, comprising two standard treatment rooms, five luxurious spa suites and two VIP experience suites, as well as a tea house and retail store.

Its signature treatment “Bamboo Massage” uses bamboo canes, sourced locally from Chengdu, delivering a targeted massage for a thoroughly relaxing and invigorating sense-of-place

Specially curated for sophisticated modern men, Mi Xun Spa offers professional grooming services through its “Gentlemen’s Collection”, including the Ultimate Shave and Ultimate Shave Facial which are sure to leave gentlemen feeling confident and re-energised.

After a pampering treatment, guests may unwind in the tea house and enjoy freshly brewed premium teas and delectable vegetarian offerings, indulging in unique experience with authentic Chinese charm. The refined plant-based menu at Mi Xun Teahouse is in turn inspired by the healthy dishes once served at Daci Temple. Reflecting the storied tea culture of Chengdu, Mi Xun Teahouse offers 60 different types of tea to be enjoyed alongside fragrant vegetarian specialities such as Braised Mapo Tofu in Wild Mushroom Sauce and vegan Dan Dan Noodles that use locally sourced ingredients.

Indulge in Award-Winning Treatment

To celebrate the award, Mi Xun Spa specially presents Mi Xun Ultimate Transformation Journey, which includes 60 minutes unique Bamboo Massage, followed by 60 minutes Venus Legacy V-Shape Facial and 45 minutes Wash & Style at the barber.
